## Travelling in Ireland

The beautiful city Dublin was founded by Vikings during the 9th Century and has a lot of history and charm. The Spire of Dublin, the famous Ha'penny Bridget or the Saint Patrick's Cathedrale are just some ideas for sightseeing trips.

If you like ancient history, Ireland has to offer plenty of it like Newgrange or the Hill of Tara in County Meath. For real untouched and beauty of nature you should visit the Cliffs of Moher with its more than 200 meters high cliffs at the Atlantic coast, the Giants Causeway and the Wild Atlantic Way. But there is much more to explore in Ireland than countryside and rocks like a number of attractions such as Trinity College Dublin and The Guinness Storehouse etc.

Hi my name is **Maxx**

new adventures and  
interesting roadtrips

holiday destinations.
